SUBJECT.

Grant of loan to Jahagirdars of Kolhapur on the security of their properties

WD 0418—GPB—22,500—29-8-36

Serial No.

Letter 9.11.1.34 from Mr. Nagaraja Rao Purnaiya, Jagirdar of Gelandur, requesting the grant of a loan of Rs. 2,10,000, on the security of some immoveable properties at a Commercial rate of interest.

Loan

Before getting into the merits of the Case, orders are necessary if the Loan should be granted. This has to be a loan under the scheme of relief to encumbered Inamdars. The scheme itself has since been given up due mostly to the difficulty experienced in securing the repayment of the loans granted. Even the mitigatory device of taking the mortgaged properties under Court Management pending repayment of loan has afforded no better experience. If the Jagirdar's request should be viewed with favour it seems necessary to hit upon a plan which calculated to assure repayment on the date & conditions that may be stipulated in the bond, without default.

Interest

2 If it is decided that the loan may be granted, the next question that arises for consideration is the rate of interest. The rate charged on

loans Granted out of Genral Revenues have not been uniform. However, the governing principle has to be that the rate should not be less than what the Govt pay on the loans taken by them. In practice too, for the loans given to local bodies recently 5% has been charged. In the instance of the same Jagirdar, an advance of Rs. 15,000 was made recently for improvement of irrigation in the Jagir at 5% interest.

3 Govt in respect of loans given in the past to encumbered Jagirdars, the rate charged differed according to the circumstances of each case. Please see notes in G.S.R. 148-20: Daboji Devaraj his family was charged 3½% and that to Bhabhi Basappaji was 4%.

4 The considerations that enter into the question of interest are

1) the rate paid by Govt on the loan raised by them as noted above;
2) the condition of the money market;
3) the purpose of the loan.

The last condition is perhaps known the casting weight always in the case on hand, the circumstances seem to call for the maximum possible concession somewhat on the lines allowed to the

6 There have been instances in the past in which Govt have given loans to relieve the indebtedness of encumbered Jahgirdars and notabilities and giving similar relief in the case of this historic family cannot be regarded as unjustified. But there is one important difference between past cases and the present case - In the past all such Encumbered people were generally landowners and the idea was to keep the landed property intact as far as possible the repayment of loan *principal & interest being arranged for from the current income of the land. The loan was therefore more in the nature of loans given by Land Mortgage Banks on the Security of lands, for a long period at

comparatively low rate of interest. In the present case the idea is to retrieve the indebtedness by selling away the house property in Bangalore Cantonment, as there is no chance of the principal & interest of the loan being repaid from the current income i.e. rent of the houses - The loan has therefore to be for a relatively short period and the rate of interest has to be ~~Statutory~~ somewhat higher - As I consider that a fair rate of interest to be charged to local Bodies for loans given is then is 5½% (as in the loan given to private individuals as in this case must carry at least ½% more - The rate to be charged is thus 6% at least.* The period for the repayment of the loan may be five years* as it should be possible to find a suitable sale of the properties within this period. It may also be considered if any of the bungalows offered as security are suitable for being let out by us for a while any of the first ~~three~~ years must be vacated in view to building. The amount of loan ~~loan~~ asked for is 2,10,000 Rs - To see that the object of the loan is attained it is necessary to assure ourselves that all his debts will be cleared from this amount and that he will live within his income in future & not add to his indebtedness. It is necessary that the security offered should amply cover the loan - A rigorous and Conservative Valuation of the houses offered ~~for~~ as security has to be made by the Chief Engr and the value of the property should be ~~at best~~ such that the loan should not be more than about 50 or 55% thereof i.e. for a loan of 2,10,000 the Valuation of the property given as security should be not less than ~~3,80,000~~ 4,00,000 lakhs - It is also necessary that the Dy Engr

23 A statement showing the valuation of the properties belonging to the Jaghirdar of Yelandur and the amount borrowed by the Jaghirdar on the security of these properties is appended. (flag J).

24 According to the Chief Engineer's estimate, the value of the "PURNAPRASAD" is Rs 2.5 lakhs and that of other properties is Rs 1.66 lakhs. The amount due by the Jaghirdar towards loans raised on the security of some of the properties is reported to be Rs 1.75 lakhs.

25 The Jaghirdar's request is that a loan of Rs 2.10 lakhs may be sanctioned to enable him to discharge the above debts and others. The Deputy Commissioner, Bangalore, has examined the title, previous encumbrances etc., of these properties.

26 As stated by me in para 6 of the notes, there are cases of loans to encumbered Jaghirdars granted in the past on the security of landed property, the repayment of loan -- both principal and interest -- being arranged for from the current income from the lands. In the present case, the loan is required for the repayment of amounts borrowed from private parties on the security of certain properties and the loan is proposed to be discharged by selling these properties. The grant of loans for such purposes is ordinarily not admissible. In such cases, the properties have to be sold outright and the debts discharged and such sale

NOTE—Contn. Sheet.

could be effected without advancing Government funds or taking over the property.

27 From the appended statement (J), it will be seen that the present value of items 2,3 and 5 is about Rs 1,28,000 while the amount payable by the Jaghirdar on loans raised on the security of these properties comes to Rs 1,29,000. It is for consideration whether the Jaghirdar himself cannot arrange for the discharge of these loans by selling the properties to the Mortgagees or others, without getting a loan from Government for the purpose.

28 It is reported that "PURNAPRASAD" valued at Rs 2½ lakhs is occupied by the Jaghirdar himself and that the four other buildings are fetching a rent of about Rs 800 a month and that after meeting the expenditure on account of Taxes, repairs, etc., the net income from these buildings will come to about Rs 7,500 per annum. This sum will not be sufficient to meet even the interest on the loan applied for, and income from other properties has to be made available for the purpose.

29 The amount of loan asked for works up to only about 50% of the present value of the properties as estimated by the P.W.Deppartment. But it seems doubtful whether the valuation of "PURNAPRASAD" at Rs 2½ lakhs is a proper valuation and whether this building, if sold, will really fetch this amount. In any case, the value of the other properties is insufficient to meet the entire loan of Government and "PURNAPRASAD" will have to be sold to make good this amount

30 If, however, the loan of Rs 2.10 lakhs asked for is considered absolutely necessary and has to be granted, it should be on the following conditions:-

(1) A specific declaration should be obtained from the Jaghirdar and his brother that

(a) they have no other debts except Rs 2.10 lakhs referred to above and (b) that they would not contract any further debts;

(2) The properties mortgaged will be administered by the Deputy Commissioner, Bangalore, in consultation with Messrs Venkatakrishniah and Narasinga Rao and full powers will be given to him to sell them and adjust the proceeds to the Government loan.

(3) The Government loan will bear interest at 6% per annum and should be repaid as early as possible and in any case within 3 years. If the income from the properties is insufficient for meeting each year's interest, the Jaghirdar should pay the difference from his other income.

(4) The rent etc., realised from the properties will be credited to Government towards interest on the loan,—the tax, repairs and other expenditure being borne by the Jaghirdar.

34 The security offered appears to be adequate. There is no likelihood of the Jagirdar paying off this loan out of his income. The properties will have to be sold & the loan paid up. This may also be made a condition of the loan.

35 The rate of interest proposed by the Fin. Sy. is 6 p.c. This is quite a low rate but, in view of the fact that the size of the loan is large, this a point for consideration whether the interest may not be reduced to 5 or 5 1/2 p.c.

60 The accompanying papers relate to the grant of a loan of Rs.2,10,000/- to the Jaghirdar of Yelandur to relieve him of all his indebtedness. He states that he owes at present Rs1,80,000/- to the Mysore Bank and other creditors, that they are pressing him for repayment, that he is paying a heavy interest on the loans and that on account of the fall in the price of his properties, it has not been possible to find proper sale for his house properties in Bangalore from which source he has to discharge all these loans. He requests that Government may be pleased to sanction a loan of Rs.2,10,000/- on the security of the under-mentioned properties:-

1. Purnaprasada)
2. Petworth)
3. Markton) House properties
4. Silver Oaks)
5. Greenhalgh)
6. Wilson Garden

61 The above properties have been valued by the Chief Engineer and the Deputy Commissioner at an aggregate value of Rs.4,16,000/ and the title to the properties and the encumbrances thereon also have been examined by the Deputy Commissioner, Bangalore.

62 It is considered that it is but right that the Government should come to the relief of this historic family taking however all possible precautions for the safety of the amount advanced by Government.

63 The Financial Secretary is of opinion that the loan may be granted on the following conditions:-

(1) A specific declaration should be obtained from the Jaghirdar and his brother that

(a) they have no other debts except Rs.2,10,000/- referred to and
(b) they would not contract any further debts.

(2) The properties mortgaged will be administered by the Deputy Commissioner, Bangalore, in consultation with Messrs. S. Venkatakrishnaiah and Y. Narasinga Rao and full powers will be given to him to sell them and adjust the proceeds towards the Government loan.

(3) The Government loan will bear interest at 6 per cent per annum and repaid as early as possible by the sale of properties etc., and in any case, within 3 years; if the income from the properties is insufficient for meeting each year's interest the Jaghirdar should pay the difference from his other income.

(4) The rent etc., realised from the properties will be credited to Government towards interest on the loan, the taxes, repairs and other expenditure being borne by the Jaghirdar.

(5) Government shall have a right to proceed against the Jaghir revenues or other properties of the Jaghirdar in case of default in the payment of principal and interest.

(6) The Mortgage Bonds etc., should be executed by both the brothers.

The subject was considered in Council on 10th July 1934 and the following decision was arrived at:-

"A loan of Rs.2,00,000/- may be granted on the conditions mentioned in the Financial Secretary's note. It will bear interest at the rate of 6 per cent and will be secured by the house properties belonging to the Jaghirdar in Bangalore and also the landed properties mentioned in the Jaghirdar's letter of 11th January 1934."

Gracious sanction of His Highness is solicited to the grant of the loan to the Jaghirdar on the terms specified above.

To

The Chief Secretary to the Government of His Highness
the Maharaja of Mysore,

BANGALORE.

Not taken up at Council Meeting
RR 24/1/34.

Sir,

The Dewan said that this might dispose of in the Rev. Branch.
RR 26/1/34

I beg leave to approach Government for assistance in a personal matter. My family and myself have always received unfailing sympathy and guidance at the hands of His Highness, His Highness's Government and Sir Mirza Muhammad Ismail for which we are profoundly grateful. The financial position of my family has developed into an acute and embarassing stage likely to affect the status and the standing of the family if matters are allowed to proceed further. The continued and unfailing sympathy evinced by Government in the family encourages me to approach them with my present request in full confidence of its sympathetic consideration.

For Sec's note
RR 27/1/34

When I assumed the management of my affairs, I found that the family was indebted to the extent of nearly eighteen lakhs, major portion of which carries a high rate of interest. I was able by selling some of my properties at the present low rate of interest to liquidate only about Rs.25,000/- after paying off my debt. The debt at present outstanding is Rs.2,10,000/- inclusive of interest. It has not been possible at present to liquidate them as no reasonable offers are forthcoming for the remaining very valuable properties.

In the meanwhile one of the creditors has already filed a suit to recover Rs.38,000/- and others threaten to do so. In the event of the creditors taking extreme steps, the consequences to the family would be disastrous.

I am therefore reluctantly obliged to approach the Government for a loan of Rs2,10,000/- at a concession rate of interest to enable me to meet the grave situation that has arisen. I hope to discharge the loan partly from the income and mostly by the sale of the properties at the earliest favourable opportunity.

I propose to offer the marginally noted six properties as security for the loan. The first Bungalow-Purna Prasad is the family residence wherein I live. Considering its situation, the substantial structure with spacious Halls and rooms and the extensive ground, its value, even at a modest figure, is 2½ lakhs. The next four items are Bungalows in the ~~City~~ Civil and Military Station. They have all been rented out and the annual rent amounts to about Rs10,000/- leaving a net balance of Rs ~~7500/-~~ after paying taxes and repairs charges. Considering the prominent locality occupied by them and their other attractions, they are together worth not less than 2 lakhs. The sixth item is known by the name of Wilson's Garden. It adjoins Lalbagh Ookad and is quite close to the city. There is a demand for the conversion of the area into building sites. An extent of 9 acres out of this was acquired by the Municipality at Rs 500 an acre. The remaining extent is 66 acres. Its value will not be less than Rs 35,000/-. Thus the total value of the properties in Bangalore comes to over 4½ lakhs, and it is hoped that they are more than adequate security for the loan Rs2,10,000/-, now applied for. There is now a lien on the four Bungalows which will be extinguished by paying off the loan thereon, out of the loan now applied for. The Government will thus have free and unencumbered properties as security for the loan.

No.	Name.	Monthly rent.
1.	Purnaprasada.	Nil.
2.	Petworth.	Rs400/- 10
3.	Hamilton.	Rs159/- 3,
4.	Silverocks.	Rs100/- 20
5.	Greenhalgh.	Rs150/- 35
6.	Wilson Garden.	66 acres.. 30

Besides the above properties, I have other not inc-

garden lands situated in Mysore, Seringapatam and T-Narsipur Taluqs and a Sarvamanya village adjoining the Mysore Railway Workshop. I have also fairly large personal estates in the Jaghir. The value of all these, even under the present depressed conditions, is over 1½ lakhs. The present net income from these is about Rs7000/-.

I hope it will be possible to meet the interest charges and leave some margin towards the principal, especially as the income is likely to improve materially as a result of the steps I am taking in that direction. It will, of course, be necessary to sell some properties for liquidating the loan which will certainly be done at the earliest favourable opportunity.

As an additional measure of assurance to Government regarding my earnestness to repay the loan with interest I am prepared to place all my affairs under the management of Mr. S. Venkata Krishnaiya, and Mr. Y. Narasinga Rao in whom I have the fullest confidence. I am further prepared to abide by all acts done by them under the orders of Government on my behalf, as if done by me personally.

I asure Government that I would loyally abide by any arrangement that Government may order for liquidating the loan and faithfully observe the terms and conditions that they may think fit to impose in this respect.

I am making this application on behalf of both - myself and my minor brother Mr. Seshagiri Rao Panthulu as his guardian.

For this act of kindness, I shall ever be loyal grateful to the Government.

With reference to correspondence ending with this office D.O. No. 103 dated 17-3-34 on the above subject, I have the honor to submit herewith for your information, a valuation statement aggregating to Rs. 2,00,000/- for the five properties mentioned below:-

1. Wilson Garden.	....	Rs. 37,000
2. Petworth (opposite Queen Statue)		" 86,000

2. The Executive Engineer has reported that the "Purna Prasada" building has not been valued as it was not asked to be done specifically. But as it is clear from the D.O. letter No. Fl. 4674 dated 7-2-34 from the Financial Secretary to your address, that even this building has to be valued, I am requesting the Executive Engineer to value this building also and submit a valuation statement at a very early date.

Dear Sir,

With reference to your D.O. letter No. Fl. 4675/G.F. dated the 7th February 1934, asking me to examine and report on the title of the Jahgirdar of Yelandur to certain properties and also on the encumbrances on those properties, I beg to enclose herein for the information of Government two statements received from the Jaghirdar of Yelandur through Mr. S. Venkatakrishnaiya who seems to be acting on behalf of the Jaghirdar in this matter. That report contains a full statement of the position. The properties are ancestral and came to the present Jaghirdar at the partition of family properties that took place in 1917.

2. Of the six properties that have been offered as Security for the loan applied for, only three are situated in the Bangalore City - (1) Purnaprasad, (2) Greenhalgh and (3) Wilson Garden near Lalbagh. As regards the valuation of Purnaprasad and Greenhalgh, I have requested the Chief Engineer to let me have a copy of his valuation. He has not sent it to me yet. I am therefore unable to say anything about the valuation made by the Jaghirdar which is 2½ lakhs in the case of Purnaprasad and Rs 40,000/- in the case of Greenhalgh. So far as the valuation of the Wilson Garden is concerned, the valuation put upon it by the Jaghirdar is Rs 30,000/-. Having regard to the present depression, the value of the garden may be taken as Rs 20,000/-.

3. So far as the encumbrances on these three properties are concerned, the certificates of encumbrance obtained from the Sub Registrar's Office are attached. There is a hypothecation for Rs 50,000/- on Purnaprasad in favour of Mr. Srinivasamurthy Purnaiya and his minor son. This hypothecation is reported to have been since assigned to Mr. Thiruvengadasvami Mudaliar. It is stated by Mr. Venkatakrishnaiya that the amount outstanding payment on account of this hypothecation at

at present is about Rs 46,000/-.

4. Greenhalgh has been hypothecated to the Mysore Bank for a loan of Rs 40,000/-. The amount outstanding on this hypothecation is stated to be Rs 42,593-6-0 on 1st April 1934. There is no encumbrance on Wilson Garden.

5. As regards the properties in Cantonment - Petworth is valued at Rs 1,00,000/-, Markton at Rs 40,000/- and Silver Oaks at Rs 20,000/-. Petworth has been mortgaged for Rs 66,000/- to the Mysore Bank and the amount now due with interest up to - 1-4-1934 is Rs 70,624-5-0. Markton is valued at Rs 40,000/- and has been mortgaged to the Bank of Mysore for Rs 15,000/- and the amount due to the Bank of Mysore up to 1-4-1934 including interest being Rs 15,877/-. Silver Oaks is valued at Rs 20,000/- and there is no encumbrance on this. The encumbrance certificates relating to the properties also are attached.

6. I enclose herein a statement showing the estimated value of the properties and the encumbrances on the properties as it stood on 1-4-1934.

7. I regret I am not able to offer any definite - opinion on the valuation of the properties excepting the garden in the absence of the information which I have asked for from the Chief Engineer. I am reminding the Chief Engineer and as soon as I get his valuation. I shall write to you again.

Dear Sir,

In continuation of my D.O. letter No. C.8-2723 of 33-34 dated the 26/28th April 1934, I enclose herein for the information of Government a consolidated statement of the valuation made by the Superintending Engineer, Mysore Circle, of the properties belonging to the Jaghirdar of Yelandur. The valuation put upon the properties by the Superintending Engineer, excepting the valuation of the " Wilson Garden ", is fairly correct. As the mango trees in the " Wilson Garden " are very old and as the land values have gone down, I am of opinion that the valuation of Rs 37,000/- put upon the " Wilson Garden " by the Public Works Department, is rather high. I would value it at Rs 20,000/-

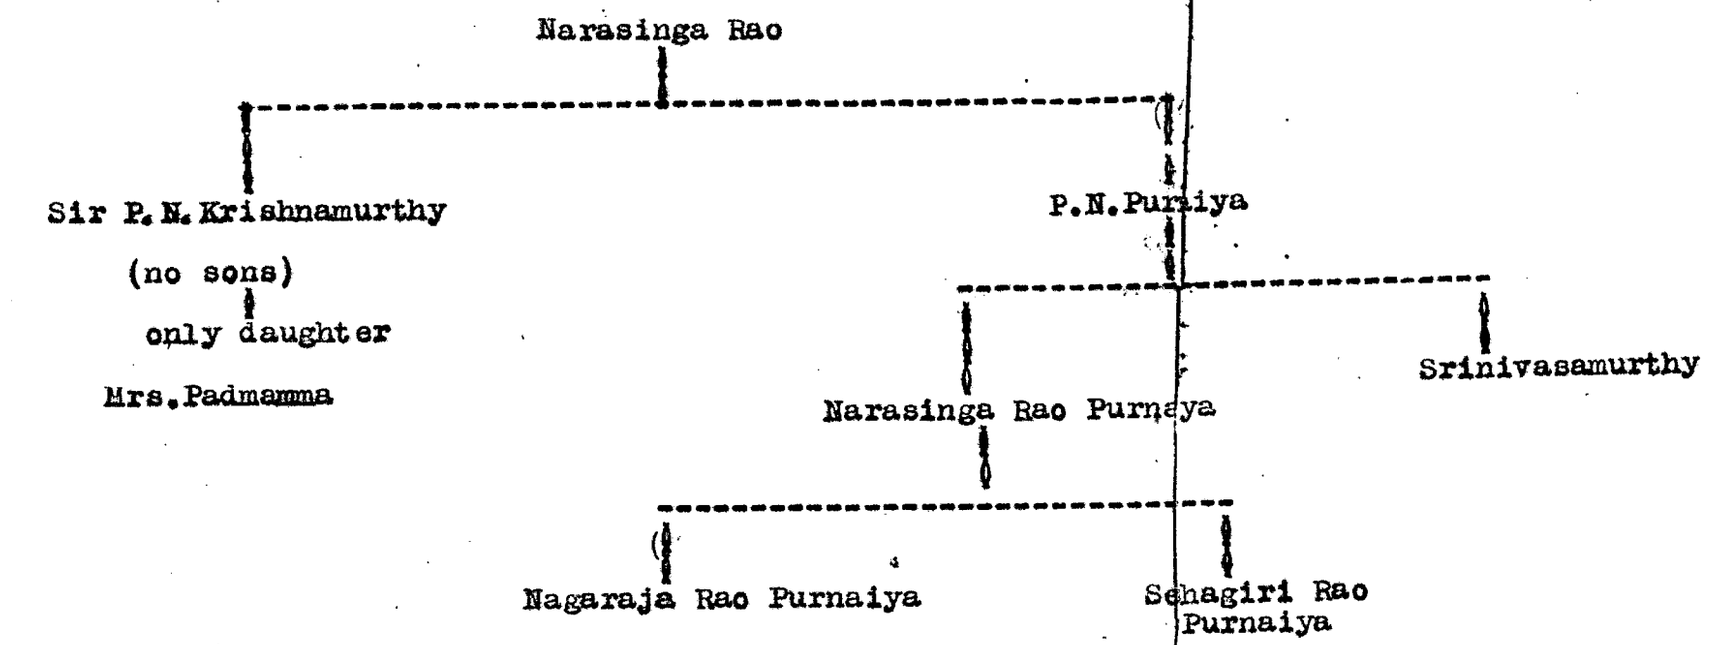
Re:Yelandur Jaghirdar

Memo showing the title to and the estimated value of the properties proposed to be hypothecated.

The following genealogical table shows the relationship of the persons interested in the properties



(a) Mr.Narasinga Rao divided from his collaterals over three quarters of a century ago.

(b) Mrs.Padmama is given an annuity of Rs.6,000/- out of the Jaghir income. Mr.Narasinga Rao Purnaiya filed O.S. on the file of the District Court Cantonment to recover about Rs.36,000/- deposited by Sir P.N. Krishnamurthy in the Imperial Bank of India. Mrs.Padmama contested the suit. Under a compromise decree it was finally decided that in consideration of her relinquishing her interest in all the family properties except the claim to the annuity from the Jaghir income, she should be allowed to draw the money in the Bank and should also be paid about Rs.21,000/- and odd in addition. This decree for Rs.21,000/- and odd was under execution in the District Court. Last week by an arrangement full satisfaction was entered on the decree and Messrs.Nagaraja Rao Purnaiya and Seshagiri Rao Purnaiya executed a pronote for Rs.10,500/- in full settlement of the balance of the decree debt.(Copy of the compromise decree will be filed). This Rs.10,500/- is alone due to her and she has no other claim.

(c) Mr.Srinivasamurthi gets an annuity ... This sum ... their interest in all the other family properties in consideration of a sum of Rs.75,000/-. payable by instalments of Rs.10,000/-each with interest under a registered hypothecation deed hypothecating bungalow"Purnaprasada" situate in race course road. Some payments were made under it to Mr.Srinivasamurthy. The latter subsequently assigned it to Mr.Tiruvengadaswami Mudaliar for Rs.50,000/- still due under it. Mr. Thiruvengadaswami Mudaliar filed O.S. .....on the file of the District Court Bangalore City to recover three instalments Rs.30,000/- plus interest Rs.7000/- and odd.against the present Jaghirdar and his brother. Last week a compromise decree was passed for Rs.21,000/- and odd giving allowance for Rs.15,000/-. This Rs.21,000/- and odd and the other two instalments amount of Rs.20,000/- and interest about Rs.5000/- or in all Rs.46,000/- is still due to him on the security of "Purnaprasada"

(Copy of the registered hypothecation deed will be filed)

Mrs.Padmamma's and Mr.Srinivasamurthy's claims having thus been disposed of the only remaining claimants to the ancestral properties are Mr.Nagaraja Rao Purnaiya and Mr.Seshagiri Rao Purnaiya. Out of the

the proposed loan the claims of aforesaid creditors will be paid off.

II. The properties proposed to be hypothecated for the loan are

Enclosed you will find detailed statements giving full particulars regarding title and estimated value of the properties to be hypothecated to the Government for the loan applied for by the Jahgirdar of Yelandur.

The registered award and the partition deed executed pursuant to it have not yet been found. It is very costly to obtain certified copies of the same. The partition deed was registered on 10-10-1917 as No. 1585 of Book I, Vol 324, pp 364-439 before the City Sub Registrar. Verification may be made by reference to the records of the City Sub Registrar's Office.

Apart from it, the title will be made clear by the Registered documents, flags 3 & 4, in which reference to that award has been made. The subsecuent exercise of the act of ownership by Mr. Nagaraja Rao alone hypothecating the properties to the Bank of Mysore establishes the title even apart from the partition deed. If you think it is absolutely necessary, I shall obtain copy of the partition deed and send it to you.

Yours Sincerely
C Venkata Krishnaya
Retd. District Judge.

K.V. Anantharaman, Esq., B.A.,
Deputy Commissioner
Bangalore.

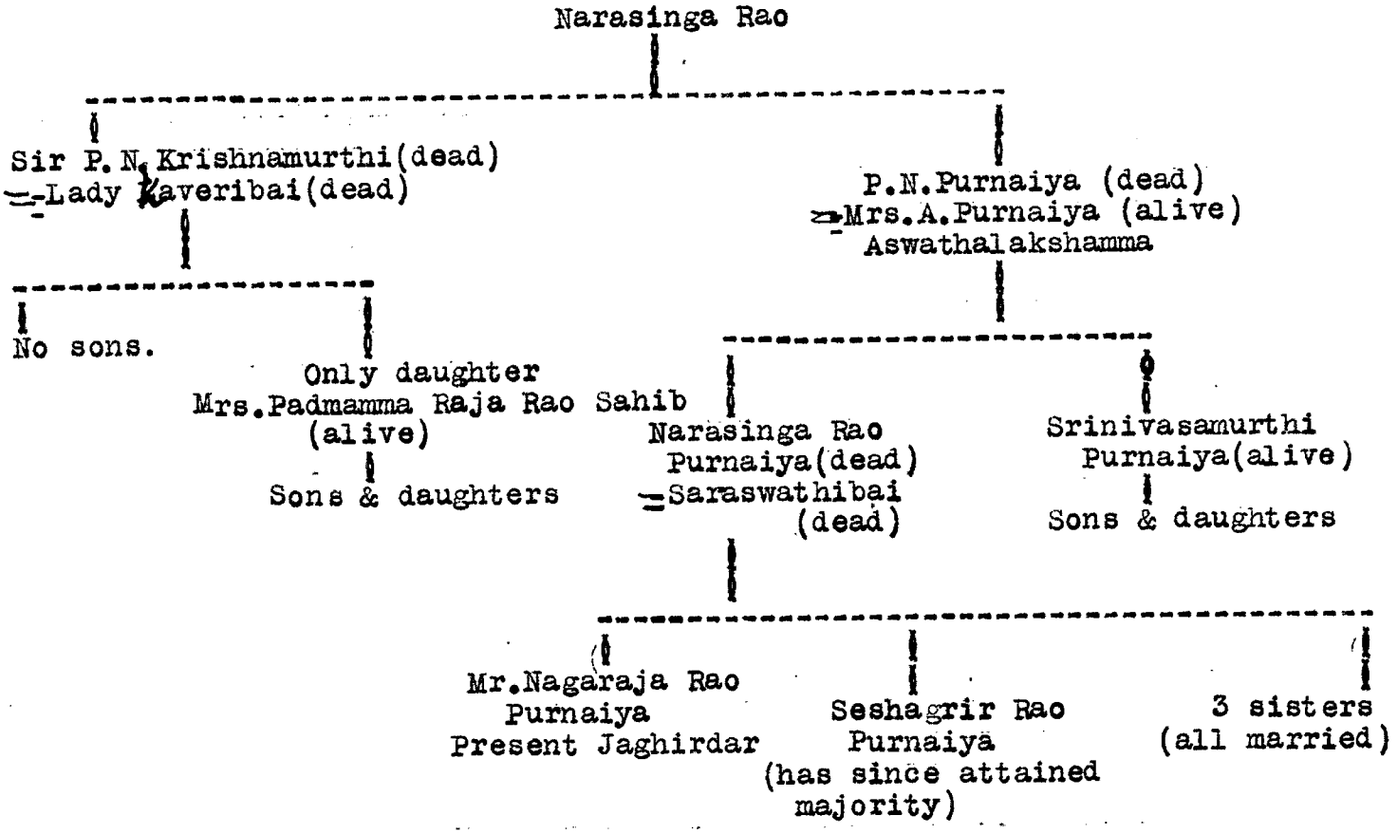
Regarding the loan application of the Jaghirdar of Yelandur

A statement showing the persons interested in, the title to and the estimated value of, the properties proposed to be hypothecated to Government for the loan applied for.

I. The following geneological table shows the persons interested in the properties:-



(a) The persons interested in the properties have a two fold right, one to an annuity out of the income of the Yelandur Jaghir property regulated by the Jaghir Regulation and the other a claim to the other movable and immovable properties of the Jaghirdar's family governed by Hindu Law.

The claims of the several heirs were settled as shown below: ~~Representatives were brought on record~~.

(b) Mrs.Padmamma Raja Rao Sahib gets an annuity of Rs.6,000/- out of the Jaghir income. She with the consent of her husband has relinquished for herself and on behalf of her then minor sons

(7)

pages 364-439 (City Sub Registrar) pursuant to a registered award dated 20-8-1917. Under the said partition Mrs.P.N.Purnaiya was awarded a cash maintenance of Rs.100/- per mensem half to be paid by Mr.Srinivasamurthi Purnaiya out of his share of the properties and the other half by his nephews Mr.Nagaraja Rao Purnaiya and his brother. She has besides a right of residence in such portion as she may select in Purnaprasada bungalow. Mr.Nagaraja Rao's share of the cash allowance to be paid to her is a charge on the "panya" lands of the Yelandur Jaghir.

Under the said partition deed all the properties (~~except the Purnaprasada bungalow~~ except Purnaprasada) now proposed to be hypothecated to Government fell to the share of Mr.Nagaraja Rao Purnaiya and his brother. Mr.Sreenivasamurthi got some other properties to his share in addition to an annuity of Rs.2,500/- from the Jaghir income. Both the uncle and nephews got a half share each in "Purnaprasada" under the award. Subsequently Mr.Srinivasamurthi Purnaiya released his right to the half share in Purnaprasada in favour of his two nephews in consideration of a sum of Rs.75,000/- as per registered release deed dated 3-12-29 (Flag III). Rs.25,000/- was paid in cash to Mr.Srinivasamurthi Purnaiya on the date of the release deed and for the balance of Rs.50,000/- an instalment deed of even date hypothecating Purnaprasada was executed by his nephews (Flag IV). This hypothecation deed was assigned over to Mr.Tiruvengadaswamy Mudaliar. He filed O.S.34/1932-33 on the file of the District Judge, Bangalore City to recover three annual instalments of Rs.30,000/- plus interest Rs.7,000/- and odd. No suit was filed for two other instalments as they had not then become due. A consent decree for Rs.21,000/- and odd was passed recently in the said suit. This sum with costs and the remaining two instalments with interest amounting in all to about Rs.46,000/-

(8)

is now due to him and it is a charge on Purnaprasada. This encumbrance has to be discharged out of the loan applied for. Mr.Srinivasamurthi Purnaiya's claims having been disposed of as stated above Mr.Nagaraja Rao Purnaiya and his brother alone are at present entitled to all the properties and are full owners. Their sisters are all married.

Railway Service ಸೇರಿದರು. ಆದರೆ ಅಲ್ಲಿ ಕೆಲಸ ಮಾಡಲು ಇಷ್ಟವಿಲ್ಲದೆ ಅದನ್ನು ಬಿಟ್ಟು ಬಿಟ್ಟರು. ಆಮೇಲೆ ಇವರು ಸ್ವಲ್ಪ ಕಾಲ ಬೆಂಗಳೂರಿನಲ್ಲಿ ಒಂದು ಕಾಫಿ ಅಂಗಡಿಯನ್ನು ಇಟ್ಟುಕೊಂಡಿದ್ದರು. ಆದರೆ ಅದರಲ್ಲಿ ಲಾಭವಿಲ್ಲದೆ ಅದನ್ನೂ ಬಿಟ್ಟರು. (ಇದನ್ನೂ ಹೊರತುಪಡಿಸಿ ಇವರು ಬೇರೆ ಯಾವ ಕೆಲಸವನ್ನೂ ಮಾಡಿದವರಲ್ಲ) ಆಗ ಇವರಿಗೆ ಸ್ನೇಹಿತರೊಬ್ಬರು ಸಲಹೆ ಕೊಟ್ಟರು. ಅದರಂತೆ ಇವರು ಸಿನಿಮಾ ಕಂಪನಿಯೊಂದನ್ನು ಪ್ರಾರಂಭಿಸಿದರು. ಆದರೆ ಅದರಲ್ಲಿಯೂ ಇವರಿಗೆ ಯಶಸ್ಸು ದೊರೆಯಲಿಲ್ಲ. ಆಗ ಇವರು ಸಿನಿಮಾ ಕಂಪನಿಯನ್ನು ಮುಚ್ಚಿಬಿಟ್ಟರು. ಆಮೇಲೆ ಇವರು ಸಿನಿಮಾ ಕಂಪನಿಯನ್ನು ಪ್ರಾರಂಭಿಸಿದ್ದು ಹೇಗೆ ಎಂಬುದನ್ನು ಇವರ ಮಾತುಗಳಲ್ಲಿಯೇ ಕೇಳಿ:—
